215,000 tons for the twelve The combined entries and clea: aces in the foreign trade at New York for the year ended June 30, 1898, was 15,343,242 tons, an increase of 1,181,727 tons over the previous year. With the average gain for New York added to this total, the aggre-gate for that port will at the end of the current fiscal year place New York ahead of London in the foreign commerce of the world.
